State Representative ~ District 85

December 15, 2009

President Mike Himel
Optimist Club of the Westbank
607 Chipley Street
Westwego, LA 70094

Dear Mike:

I want to take this opportunity on behalf of the West Jefferson Doll and Toy Fund to thank you and the members of the Optimist Club once again for your generous contribution. The support of your organization makes our annual toy distribution possible.

In addition to funding the distribution, the assistance we received from the members of the Optimist Club and their families was outstanding.

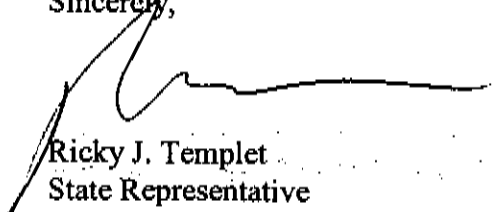

As you know, the distribution was a huge success. Despite inclement weather, the more than 1300 Westbank children in attendance were delighted with the toys you made possible for their selection.

We look forward to your assistance in the coming years. We certainly couldn't do it without you.

I will forward the photographs to you as soon as they become available.

May you and your families have a Merry Christmas and wonderful New Year!

Sincerely,

Ricky J. Templet
