

January 2009

The Optimist Club of the Westbank recently donated funds for the purchase of two new scoreboards for the new multi-purpose building termed "The Deuce" at Visitation of Our Lady School. The Optimist Club strives to help as many children on the westbank as possible. This new multi-purpose facility at Visitation will host many future events for the children of the westbank. Shown above at the check presentation from left to right are Billy Staehle, Optimist Club Past Governor; Father Mike Kettenring, Parochial Administrator at Visitation; Drew Lukinovich, Optimist Club Athletic Chairman; and Visitation's Building Committee Chairman Gary Payne.
