Gretna, La. 70054

Dear Billie,

Alzheimer's Services of the Crescent City would like to thank you for your donation for our 5th annual golf tournament.

Unfortunately, this disease does not discriminate and does affect the whole community. The caregivers are the beneficiaries of the funds raised from this event. They will be able to take a break from the day to day stress they endure from taking care of their loved ones.

Thank you for your continued support!

Regards,

Debra Wilson
