Dear Westbank Optimist Club,

Thank you so much for nominating me for the Delgado Circle of Excellence Award. I enjoy the great things our club does for kids in our community and the positive affect it has on their lives. I find it very rewarding with the volunteer time I donate to the Westbank Optimist Club helping to maintain the website, attending our meetings and volunteering at our events such as the baseball tournaments.

Thanks again for recognizing me in this way.

Sincerely,

Charles Miller, III
